

# ASMS 2019 “In Case You Missed It” Seminar

The latest in new technology and application research

**Monday, November 11, 2019, 9:00 AM-2:00 PM**

Yale West Campus Conf. Ctr. – Bldg. 800, Event Rm 1 | 600 West Campus Drive | **West Haven, CT**

- 
- 9:00 AM**    **Registration and Breakfast**
  - 9:30 AM**    **Improving Drug Metabolite ID Studies by Optimizing Acquisition, Ion Mobility and Processing Parameters with High Resolution Mass Spectrometry**  
*Rick Schneider, Senior Scientist, Pfizer, Retired*
  - 10:00 AM**    **Targeted Lipidomics and Metabolomics Including the Biome**  
*Baljit Ubhi, Ph.D., Market Manager, Global Metabolomics & Lipidomics Business, SCIEX*
  - 10:30 AM**    **Polly: A Comprehensive Analysis and Workflow Platform for the Metabolomics Lab**  
*Jim Martin, VP, Business and Market Development, Elucidata*
  - 11:00 AM**    **Introduction of the TripleTOF® 6600+ HRMS and the Next Step in Data Independent Acquisition Evolution with Scanning SWATH® Acquisition**  
*Patrick Pribil, Ph.D., Manager, Field Applications Support, SCIEX*
  - 11:30 AM**    **Introduction to Acoustic Ejection Mass Spectrometry (AEMS)**  
*Matt Stone, Ph.D., Advanced Workflow Specialist, SCIEX*
  - 12:00 PM**    **Lunch**
  - 1:00 PM**    **Analysis of the Cannabis Pesticides List Using the QTRAP 6500+ System and MRM<sup>3</sup>**  
*Craig Butt, Application Support Scientist, SCIEX*
  - 1:30 PM**    **Poly- and Perfluorinated Alkyl Substances (PFAS) Analysis by LC-MS/MS**  
*Craig Butt, Application Support Scientist, SCIEX*
  - 2:00 PM**    **Adjourn**

Space is limited – Reserve your seat today!
